**Questions to Ask Your Provider About the  
 COVID-19 Vaccine**

Should I get vaccinated for COVID-19?

Do I have to pay in order to get the vaccine?

If I already had COVID-19 and recovered, do I still need to get vaccinated?

How long do I need to wait if I had or need to get a non-COVID-19 vaccine?

**How can  
 I help?**

Can pregnant women get the COVID-19 vaccine?

Can I get the vaccine if I am breastfeeding?

Is it safe to get a COVID-19 vaccine if I have an underlying medical condition (diabetes, heart disease, cancer, kidney disease, asthma, etc)?

Where can I get the COVID-19 vaccine?

Can I get a COVID-19 vaccine at the same time as another vaccine?

Can I take medicine for the side effects after I get the vaccine?

**\*\*This is not an exhaustive list of questions that you can ask your healthcare provider but is meant to get the conversation started.**
